Don't Have a Library Card?
New Paltz Residents can get a temporary card number to access Elting's online resources while we are closed due to the COVID-19 public health emergency. See below for help by email or phone.

Greetings, Seekers of Information

We are still here to help!

By Email:

Send questions to elting@eltinglibrary.org. Jesse will be checking this account several times a day and he will valiantly attempt to assist you in a timely fashion.

By Phone:

(845) 255-5030. Each week, Tuesday through Saturday from 2PM until 6PM, you can get help with temp cards, resetting your PIN, and rudimentary instructions on using some of our online resources. Call the library during those times and choose option 5 to have your call forwarded to Ray while he works from home.

Regrettably, Elting Memorial Library is closed. John and the Board will be reassessing this situation regularly as news about the COVID-19 public health crisis develops. We sincerely hope that this closure will be as short as safety allows, but the library is unlikely to open before April 29th and may in fact need to be closed longer.

The MidHudson Library System is closed for the duration as well. While they are closed, **no material is actually due**. Please ignore any automated messages you get about due dates and/or late fees until we reopen. It is not necessary to return material while everyone is closed, and we encourage you not to. Raymundo is available by phone to help five afternoons a week.
